With a simple stylesheet, such as the following:

```css
text {display: block; font: 18pt/20pt "Times New Roman"; padding: 25pt}
head {display: block; font-size: 120%; margin-bottom: 16pt}
lg l {display: block}
*[rend="capitalize"] {text-transform: capitalize}
```

did could appear like this:

**The Old Woman.**

There was an Old Woman,
Liv’d under a Hill,
And if she ’int gone,
She lives there still.
